Czech Centre for Science and Society

Funded by  
European Union

INTERESH kick-off meeting  
Foggia, 29-30 September 2025

# CCSS

- *CCSS is an independent, non-profit association of legal entities cooperating with organizations and individuals in the Czech Republic and abroad.*
- *Its activities are implemented through international European research projects, with outputs directed to supporting SMEs and internal development.*
- *Domain coverage includes information technologies, consultancy, education, sustainable development, and application development. Thematic focus areas comprise forestry, agriculture, agrotourism, and precision agriculture*

## CCSS role and contribution in INTERESH

- *Leads Experimental Action #4 and produces AI-driven data analyses for the Regional Action Plan by integrating LLMs with GIS/LPIS, satellite, IoT, and regulatory datasets.*
- *Provides evidence support within the project's scientific core to inform Living Lab activities and policy design.*
- *Co-develops the biofertiliser experimental design and cultivation formulation with partner institutions*

# Partner' experiences: main projects, networks and initiative useful to INTERESH

- *PoliRural*
- *PoliRuralPLus*
- *DALIA*
- *This are project from last years, but we have 20 years of experience in European research*
- *Cooperation with many institution of Europe member of Plan4all network, probably cooperation with Asplan Viak*

# Team Presentation and main contacts

- *Vera Motyckova*
