Rural Forum

Smart Rural Communities in the Digital Era

October 25–26, 2024

Žilina, Office of the Žilina
Self-Governing Region

This conference is dedicated to all who are passionate about the development of rural Slovakia. We welcome representatives from government and public administration, as well as rural stakeholders from various sectors. Join us to exchange insights, foster collaboration, and drive the transformation of our rural communities through smart solutions and digital innovation.

PROGRAMME

25. 10.

Panel discussion: *Realising Europe's Digital Decade and Building a fairer and more inclusive Union*

Parallel workshops:

- Women in the countryside
- Rural youth
- Rural Pact
- Smart villages

26. 10.

Field Trip: Showcasing Best Practices in Rural Development

Registration:
